Assignment

Create a power point presentation with the given style:

- Open power point 2010, add a slide with title slide lay out and 3 slides with title and content slide lay out.
- Select your desirable them.
- From colors tab Select **Austin** format.
- From fonts tab select **Civic** format.
- In your Title slide type "power point training" title with **Times New Roman** font and font size **48**.

Assignment

- In title placeholder of the rest of slides add "power point training" with **Times New Roman** font and font size **40**.
- In your second slide add an **oval** shape, with **green color** fill, and write on it " **today is Sunday**" with text fill **black**.
- Insert a picture which is on your desktop to your third slide, and give it **Double Frame, Black** style.

Assignment

- On your fourth slide, write 2 sentences under each other, first "this slide is getting animated" second " animation format is Fly In" and give them **Fly In** animation.
- Save your file in to **PDF format** and name it " **practice power point**" on your desktop.
